## Overview

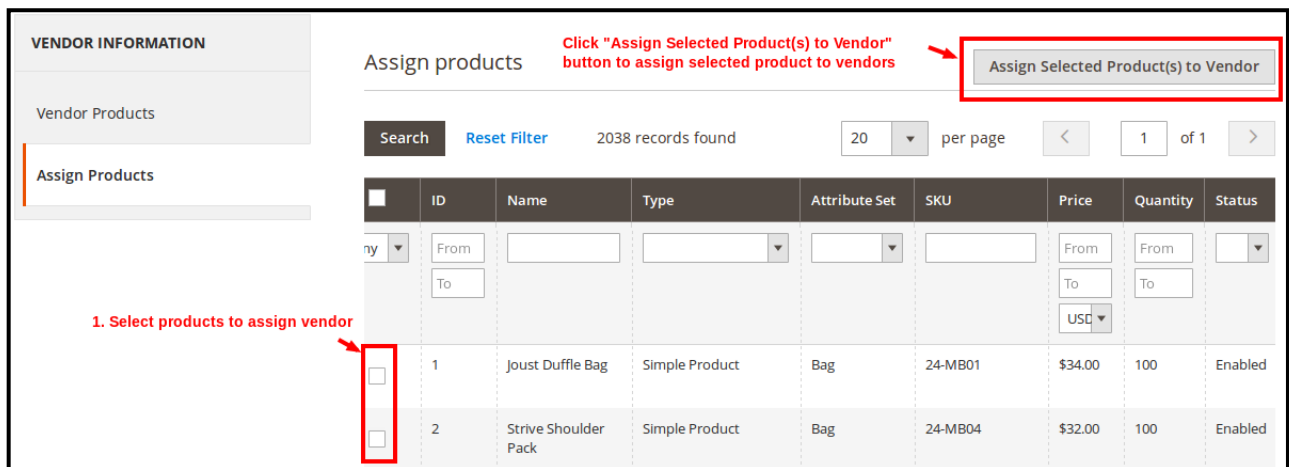

Vendor Product Assignment is a CedCommerce Multi-Vendor Marketplace addon for Magento 2 which allows the admin to assign his products to the vendor or remove the product from the vendor. Admin can assign one product to only one vendor i.e. one product cannot be assigned to multiple vendors.

## Module Settings

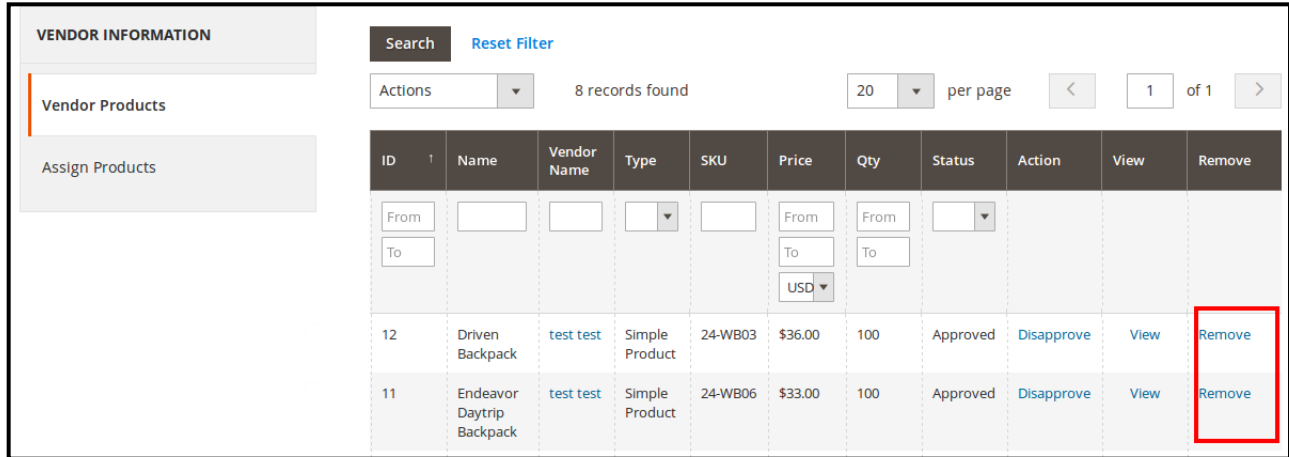

When you open the details of the vendor by clicking the “View” link in “Manage Vendors” Tab of CedCommerce Multi-Vendor Marketplace admin panel, you will be able to see the “Assign Products” Tab from where you can assign/remove vendor’s products.

On Clicking the “Assign Product” button you will see the grid of admin products from where you can choose and assign products to the vendor by clicking on the “Assign Selected Product(s) to Vendor” button.

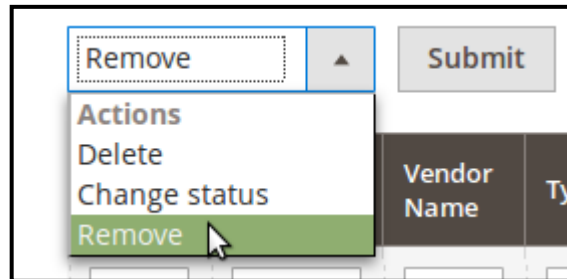

After installing Vendor Product Assignment addon you will be able to see “**Remove**” action in the product grid of vendor in the “**Vendor Products**” tab.

ID	Name	Vendor Name	Type	SKU	Price	Qty	Status	Action	View	Remove
12	Driven Backpack	test test	Simple Product	24-WB03	\$36.00	100	Approved	Disapprove	View	Remove
11	Endeavor Daytrip Backpack	test test	Simple Product	24-WB06	\$33.00	100	Approved	Disapprove	View	Remove

Mass remove functionality is also available by installing this addon to CedCommerce Multi-Vendor Marketplace.
